(Structure, 19, 1496–1508; October 12, 2011)

There is an error in the beamline name in the above article. The correct beamline should be “BL26B2,” rather than “BL26B1,” in two places: in Table 1, on page 1500, and in the “Crystallization and Structure Determination” section, on page 1504.
